Centurion, the most exclusive card from American Express

The Centurion Card from American Express opens up a world of exceptional privileges for you. Enjoy personal service, luxurious comfort and exclusive experiences reserved for select individuals.

The Centurion Card is available by invitation only.

“

The Centurion Card
is designed to excite,
inspire and invite you
to enjoy life from new
perspectives.

The metal Centurion Card designs are the result of a collaboration with two of the most renowned artists of our time – Kehinde Wiley and Rem Koolhaas – with the aim of expressing totally new opportunities through the card design.

The outcome is two Centurion Art Cards, one with a botanical feel and one with a graphic modern style. Of course, you can also opt for the Classic Black if you prefer a simpler design.
